The American Legion Evergreen Boys State

Dedication

As the primary organization conducting The American Legion Evergreen Boys State, The American Legion Department of Washington, and all its members dedicate this 60th Anniversary Annual to the citizens of the 2000 Evergreen Boys State. To those other individuals, groups, and organizations who have contributed and made the program possible for these Evergreen Boys' State participants.

"For God and Country" being the primary philosophy, The American Legion is vitally interested in our Nation's future citizens, thus the purpose for this training in city, county and state government.

President of Evergreen Boys State
Mr. Jim Angell

June 24, 1999

Gentlemen,

It is my pleasure to congratulate you on behalf of The American Legion Department of Washington, and The American Legion Department of Washington Evergreen Boys State Board of Directors, on the successful completion of your week at Evergreen Boys State.

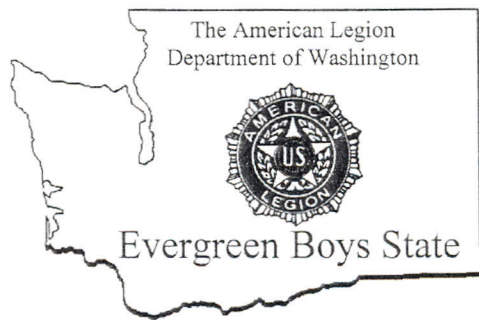

I offer my personal congratulations on the successful operation of the 2000 State of Evergreen. I am sure the lessons you have learned this week will last you a lifetime of service to this country. The leadership skills you take from your week at Evergreen Boys State will be evident in the future of this State and Nation.

I need only to remind you, a skill unused is a skill lost. I look forward to hearing of your successes in life and only ask you to remember to give as much as has been given to you.

"For God and Country"
Sincerely,

Jim Angell

Dear Delegates,

On behalf of The American Legion Department of Washington, the Staff, and your Director, we extend our congratulations to each of you upon your completion of The American Legion Evergreen Boys State. You have fulfilled our expectations.

Now, as you leave The American Legion Evergreen Boys State to your home, high school, college, and the rest of your life, we "give" the tools of government to you. Reminding you that all tools are useless unless used, we endorse the continuation of your political apprenticeship. If each of you will make a conscious decision to make a difference, using your American Legion Evergreen Boys State experience, then our efforts will have been successful.

The American Legion Department of Washington and your Staff believe you are the future of our Nation.

Congratulations.

"For God and Country"
Sincerely,

Larry Sperry

2000 Evergreen Boys State Governor's Message

It was a tremendous honor to be elected governor of Evergreen Boys State – the most prestigious leadership program for young males in the nation. I have learned that Boys State stands for much more than mere politics: it stands for outstanding citizenship, involvement in one's community and the promotion of self-discovery. The young men at Boys State are not just given an opportunity to learn about local and state politics, but to actually participate in, and run, a formal government. Through this intricate process, each "citizen" of Evergreen Boys State is encouraged to discuss political platforms and moral issues, enabling them to advance both as a politician and a person. On behalf of Evergreen Boys State, I extend my greatest appreciation to the American legion for sponsoring this amazing event for sixty years. I am proud to say I have participated and served in the sixtieth anniversary of Evergreen Boys State.

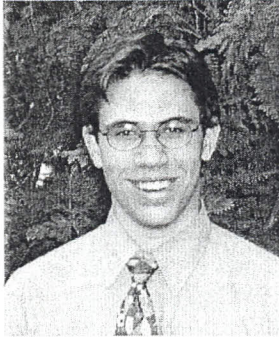

Sincerely,

A handwritten signature in cursive script that reads "Brett Jensen". The signature is written in dark ink and is positioned below the word "Sincerely,".
