

The American Legion Evergreen Boys State leadership conference is a week-long immersive educational experience with two goals: educating young men about local and state government and developing leadership skills. EBS cultivates personal growth, civic involvement, and practical governance knowledge in its participants to help build stronger, more well-informed and influential leaders for our communities, state, and nation.

American Legion Auxiliary Evergreen Girls State allows girls the opportunity to live together as self-governing citizens and teaches them about the duties, privileges, rights, and responsibilities of American citizenship. Through participation, delegates will better understand the functioning of their government and the responsibilities they will assume when they become adults.
