The American Legion Evergreen Boys State and American Legion Auxiliary Evergreen Girls State leadership conferences are week-long immersive educational experiences with two goals: educating high school juniors about local and state government and developing leadership skills. The Evergreen Boys State and Evergreen Girls State programs cultivate personal growth, civic involvement, and practical governance knowledge in their participants to help build stronger, more well-informed and influential leaders for our communities, state, and nation.

These programs provide a high energy, fast-paced, hands-on learning experience! If you are up for the challenge, apply now!
