Dear American Legion Boys State Citizen,

Congratulations and welcome to American Legion Boys State! American Legion Boys State is among the most highly respected and selective educational programs of government instruction for U.S. high school students. I am confident that you will not be disappointed with your decision to participate in this outstanding citizenship education experience. It will influence life decisions in ways that you may not fully realize until years later.

As one of thousands of young men from throughout the nation selected to participate in American Legion Boys State each year, you will experience government in a practical sense. American Legion Boys State is a leadership action program; one that teaches government and its structure. It proves that government is just what you make it. You will find Boys State to be challenging and sometimes demanding, however, I'm certain you will undoubtedly also find it enjoyable and educational.

If this government "... of the people, by the people, and for the people" is to remain strong, it requires the involvement of its citizens. The onus of preparing for that responsibility now rests squarely upon your shoulders and those of future generations. Since 1935, American Legion Boys State has been prominent in producing young men who, just like you, stepped up to become ready for accepting that responsibility. It is possible that a future mayor, governor, congressman, or even president, may be among those in your class of American Legion Boys State citizens. I make this statement because this program has historically been the springboard for many careers in local, state and federal public service. Regardless of the future career path you follow – politics, education, business, medicine, information technology or so forth - you will develop lasting bonds of friendship with fellow Boys State citizens that will extend well after the formal program has ended.

I wish to again extend my best wishes for an interest-provoking, exciting and very fulfilling 2023 American Legion Boys State experience.

Dear Commander,

As we return from a 3-year hiatus in conducting an on-site Evergreen Boys State program, we would like to take this opportunity to express our heartfelt thanks to you and your Post for your participation in recruiting and sponsoring young men to attend Evergreen Boys State. This year's Evergreen Boys State class – although small – is truly inspiring! What an enthusiastic and engaged group we have here at Warm Beach Camp & Conference Center!

As you know, our stated objectives of Evergreen Boys State are:

- To develop civic leadership and pride in young American citizens;
- To arouse a keen interest in the detailed study of our government;
- To foster a better understanding of American traditions and belief in the United States of America; and,
- To stimulate in the young citizens a determination to maintain our form of government.

We want you, and your Post's members, to be able to experience the energy that the Evergreen Boys State staff experiences each year with these young people. Next year, we invite you to come visit us for at least a few hours and see what these young men are doing. Experience their energy and passion for getting involved in the political process! When you see these young men at Evergreen Boys State in action, you are going to see that our country will be in good hands in the future.

Your Post's caring commitment is critical to our continuation of the program. We truly appreciate your dedication and hope you recognize, as we do, the valuable role you play in building brighter futures for America's next generation. We are looking forward to an exciting new future with your assistance. Thank you for your continuing support.

Respectfully,

  
Tony Morea, Chairman  
Evergreen Boys State, Inc.

Dear American Legion,

On behalf of the entire Evergreen Boys State community, we want to express our deepest gratitude for your unwavering support and sponsorship. Your generous contributions have made it possible for us to experience an extraordinary week of learning, growth, and camaraderie. Evergreen Boys State has been an invaluable opportunity for us to immerse ourselves in the principles of democracy, leadership, and civic engagement, and it wouldn't have been possible without your belief in our potential. The boys here aren't friends; we are brothers.

The experience of Boys State will leave an indelible mark on our lives, and we are deeply grateful to the American Legion for investing in our futures.

Once again, we extend our heartfelt thanks to the American Legion for their unwavering support of Evergreen Boys State. Your dedication to believing young individuals like us is incredible, and we pledge to carry the lessons and values we have learned into our future endeavors as responsible citizens. Your belief in our potential has given us the confidence to make a difference in our communities and strive for excellence in all that we do. Thank you for this incredible opportunity, which will forever shape our lives.

Sincerely,

Ryan Chen

Angela Ewert is a Legislative Aide to Snohomish County Councilmember Jared Mead. She has a background in economics, public policy, land use, and development. Before joining Councilmember Mead, she worked at a general contracting and architecture firm, leading their government and regulatory affairs team. Angela finds value in connecting organizations with local governments to foster strong relationships and achieving favorable outcomes for the communities they serve. She is also currently running for a Port Commissioner position in her community on Whidbey Island. Angela enjoys serving her local Washington communities and seeks to enrich the lives of the constituents she serves and her neighbors for a better future together.

## Hans Christiansen

Hans Christiansen is the Director of Planning and Construction for Evergreen Housing Development Group LLC (Seattle, WA). Hans has been working as a consultant and development manager for real estate development for 24 years and has experience with projects ranging from multi-family to big box; single-family to commercial. At Evergreen, Hans is responsible for management of planning, design, entitlement/permitting and construction, for new multi-family projects in Washington and Oregon. Hans earned a bachelor's degree in Community & Environmental Planning with a focus on Urban Planning from the University of Washington. He has also earned certificates in Project Management and Commercial Real Estate from the University of Washington School of Professional & Continuing Education.

## Joe Bushnell (EBS Alumni 2006)

Council Member Joe Bushnell, elected in November 2021, serves District 5, which includes parts of South Tacoma, the South End and East Tacoma.

A lifelong resident of Tacoma and proud resident of South Tacoma for the last five years, Council Member Bushnell has a history of service to his community, which includes having served as chair of the South Tacoma Neighborhood Council. He also represents the Asian-American and Pacific Islander community, and is the first Cambodian-American to serve on the Tacoma City Council.

A graduate of Stadium High School in Tacoma, Council Member Bushnell earned a bachelor's degree from The Evergreen State College in political science and economics.
