Dear Commander,

We would like to take this opportunity to express our heartfelt thanks to you and your Post/Squadron for your participation in recruiting and sponsoring young men to attend Evergreen Boys State. This year's Evergreen Boys State class – although small – is truly inspiring! What an enthusiastic and engaged group we have here at Warm Beach Camp & Conference Center!

As you know, our stated objectives of Evergreen Boys State are:

- To develop civic leadership and pride in young American citizens;
- To arouse a keen interest in the detailed study of our government;
- To foster a better understanding of American traditions and belief in the United States of America; and,
- To stimulate in the young citizens a determination to maintain our form of government.

We want you, and your Post/Squadron members, to be able to experience the energy that the Evergreen Boys State staff experiences each year with these young people. Next year, we invite you to come visit us for at least a few hours and see what these young men are doing. Experience their energy and passion for getting involved in the political process! When you see these young men at Evergreen Boys State in action, you are going to see that our country will be in good hands in the future.

This is YOUR Evergreen Boys State program! Your Post's and Squadron's caring commitment is critical to our continuation of the program in the coming years. We truly appreciate your dedication and hope you recognize, as we do, the valuable role you play in building brighter futures for America's next generation. We are looking forward to an exciting new future with your assistance. Thank you for your continuing support.

Respectfully,

Tony Morea, Chairman
Evergreen Boys State, Inc.

June 21, 2024

Dear American Legion,

The 2024 Evergreen Boys State attendees and staff would like to thank every one of you for continuing to support our program this year. Your generous financial support and incredible volunteer staff are what makes this program so successful in creating the next generation of men. Each legionnaire who attended connected extremely well with the 2024 class and was widely recognized as an inspirational figure. With many attendees hoping to join the military and/or attend a service academy, your support helped to solidify their dreams. Many others are now clearly viewing the military as a rewarding opportunity, inspired by the patriotism of the present legionnaires. The American Legion will continue to be one of this country's most positive and impactful organizations and the Evergreen Boys State program will forever be grateful for its influence.

Sincerely,

Franklin Li

Mayor of Warden, WA

Tony Massa

Tony Massa, Mayor from the City of Warden, WA, spoke with the delegates of Evergreen Boys State several times about the interaction between city and county government, effective leadership, dealing with interpersonal relationships and serving your neighbors and local community.

“His emotional speech was captivating and the love he showed to his community was admirable. The pain he felt with his alcoholic father was a reminder that not everyone has the best life and there may be painful memories behind smiles. I thank him for teaching humbleness and to always give people the chances they deserve.”

State Representative from the 39th Legislative District Sam Low

Sam is serving his first term representing the 39th Legislative District in the Washington State House of Representatives. The 39th District includes parts of Snohomish and Skagit counties, including parts of Everett and Arlington, Lake Stevens to the southwest, Darrington and Rockport to the north, and parts of Sedro-Woolley and Burlington to the northwest. In 2013, he was elected to the Lake Stevens City Council. His peers selected him City Council President in 2016, and he served as Mayor Pro-Tem. In 2016, he was elected to the Snohomish County Council—a role he remains in as he serves as state representative.

“Mr. Low today was very insightful not only in his country and state role, but also has a very inspiring and profound story. He told us how when he was running at the state level that there was this undefeated guy he was going up against. he showed us through his commitment and want for it he made it happen. I learned how no matter how impossible it seems to do something that you cannot accept failure and do it to benefit others and you will succeed. That is how I would like to live my life.”
