Dear Legion Family,

On behalf of the Evergreen Boys State Staff, we want to personally thank you and your Post/Squadron for your continued support of Evergreen Boys State. Thanks to your efforts in recruiting and sponsoring young men, another class of future leaders is thriving this week at Warm Beach Camp & Conference Center.

While this year's group may be small in size, their energy, enthusiasm, and eagerness to learn are outstanding. They are fully engaged in building leadership skills, learning the responsibilities of citizenship, and developing a strong appreciation for our government and American values.

The goals of Evergreen Boys State remain at the heart of everything we do:

- Grow civic leadership and pride in young Americans.
- Encourage a deeper understanding of how government works.
- Strengthen respect for American traditions and institutions.
- Inspire a lifelong commitment to defending and preserving our republic.

We want to personally invite you — and members of your Post/Squadron — to join us next year for a visit. Spend a few hours with these young men, see the program in action, and witness the energy and leadership potential on full display. We promise you will leave encouraged about the future of our country.

Evergreen Boys State is one of the finest examples of what The American Legion is all about: investing in youth, shaping future leaders, and building stronger communities. Your support keeps this tradition alive. Thank you for all you do — together, we are making a difference.

For God and Country,

  
Tony Morea, Chairman  
Evergreen Boys State, Inc.

Interim Director

To the American Legion, thank you. I thank you on behalf of myself, my roommates, my city, my party, and all of Boys State. This has been a transformative experience for me and for countless other members of EBS.

When I came to Boys State, I was terrified. I saw all these high-achieving, seemingly perfect people. It felt like they were on a pedestal, above me. Fortunately, I was proven wrong. I was able to connect with my peers, and together, we began to have a great time. The overall experience was fantastic and seemed perfectly catered to all our needs.

We came from completely different perspectives and from all corners of the state. But we found common ground. I was able to meet many new people I never imagined I'd become friends with. For that I thank you.

Thank you,

James Hunter Staton II  
Evergreen Boys State Governor

# Senator Keith Goehner

## 12<sup>th</sup> Legislative District

Keith and his wife, Lisa, have called the Wenatchee Valley home nearly all their lives and raised their 3 children on the family pear orchard in Dryden.

Growing up in Dryden, farming was not the intended career choice as Keith's love for education and working with children was a driving force as he pursued a degree at Seattle Pacific University. After teaching in Moses Lake, the lure of the orchard, family and the beauty of the Valley brought Keith and Lisa back to Dryden.

Community service and involvement are a reflection of Keith's pursuits as he has served in leadership positions of his church, fruit industry organizations, local and State Republican Party, Chelan County Commission, and numerous other community organizations.

Keith is committed to doing all he can to improve the lives of those locally, the State and country. His principles of protecting basic rights and our natural resources, reaching out to the vulnerable members of society, and enhancing economic opportunities, will continue to be evident in the legislation he proposes and supports.
